

## The Future of Ecosystem Services in Costa Rica

| Day 1: Monday 10/09/17  |  |
|-------------------------|--|
| 9:00 - 9:30             | Welcome - Olman Segura   |
|                         | Introduction of Robert Costanza  |
|                         | Brief introduction of the participants   |
|                         | Presentation of the project "Towards a public policy on climate change" - Olman Segura   |
| 9:30 - 10:30            | Introduction to the workshop   |
|                         | Objective of the workshop: To develop future scenarios of ecosystem services in Costa Rica for decision making in policy and research for natural capital conservation |
|                         | ¿What are ecosystem services? - Robert Costanza  |
|                         | ¿What is scenario planning? - Robert Costanza  |
|                         | Case studies - Robert Costanza   |
| 10:30 - 11:00           | Coffee break   |
| 11:00 - 11:30           | The state of natural capital in Costa Rica - Lenin Corrales  |
| 11:30 - 12:00           | Future scenarios for Latin America and the Caribbean - Marcello Hernández & Ida Kubiszewski  |
| 12:00 - 12:30           | Presentation of the methodology of the workshop  |
|                         | Presentation of the drivers of change (axis), land use and land cover maps (proposal), list of ecosystem service to evaluate   |
| 12:30 - 13:30           | Lunch  |
| 13:30 - 15:30           | Short description ( <i>bullet points</i> ) of each scenario  |
| 15:30 - 16:00           | Coffee break   |
| 16:00 - 17:00           | Short description ( <i>bullet points</i> ) of each scenario - continuation   |
| Day 2: Tuesday 10/10/17 |  |
| 9:00 - 10:30            | Short description ( <i>bullet points</i> ) of each scenario - continuation   |
| 10:30 - 11:00           | Coffee break   |
| 11:00 - 12:30           | Spatial representation (GIS, maps) of the general description of each scenario   |
| 12:30 - 13:30           | Lunch  |
| 13:30 - 14:30           | Presentation of each scenario + Feedback   |
| 14:30 - 15:30           | Scenario evaluation  |
| 15:30 - 16:00           | Coffee break   |
| 16:00 - 16:45           | Policy ideas to address the negative impacts of each scenario ( <i>bullet points</i> )   |
|                         | Presentation of each group   |
| 16:45 - 17:00           | Next steps and closure   |
